Description: "It's official. That thing that classic art has been missing is a chubby reclining kitty."—The Huffington Post  
Internet meme meets classical art in Svetlana Petrova's brilliant Fat Cat Art. Featuring her twenty-two-pound, ginger-colored cat Zarathustra superimposed onto some of the greatest artworks of all time, Petrova's paintings are an Internet sensation....

Review: This is probably the most delightful art history book in history--the perfect marriage of artist and mews. Artist Petrova is amazingly talented. Mews Zarathustra is a charming (typically feline) and cooperative (atypically feline) model and informative if perhaps not entirely reliable narrator of the history of art. He explains why Mona Lisa is smiling...
